Information Technology Awareness Workshop

In alignment with **SDG Target 4.3.4**, **Mawlana Bhashani Science and Technology University (MBSTU)**, in collaboration with the **MBSTU Career Club**, undertakes educational outreach activities beyond campus, including **tailored workshops, lectures, and demonstrations** in local schools and communities. For example, the **Information Technology Awareness Workshop** held at **Shristy College, Tangail** on **1 October, 2024** provided students with essential IT skills, promoting **digital empowerment** and expanding access to quality education in the community.
